COACHING GRANT APPLICATION FOR CHARTERED CHORUSES 2009-2010

Chapter Presidents and Directors:

Coaching Grants are established to help ease the financial burden of bringing in an outside coach. In return, we ask that you open your coaching session(s) to observation by Regional Faculty or other interested persons. Make sure to completely fill out the form below. Whenever possible, please send in the completed form BEFORE THE COACHING SESSION so that the dates may be added to the Regional calendar beginning May 1st, 2009. Applications must be submitted NO LATER THAN 30 DAYS AFTER COACHING. If the coaching session is cancelled, you must return the entire amount of the grant to the Finance Coordinator Rebecca Cherry (check payable to Border Lakes Region 2, USD). Note: Coaching grants may be used for coaching fees only and may not be used in conjunction with mentor visits or Internationally or Regionally funded visits.

All applications for funds for the 2009-2010 fiscal year must be submitted by March 31st, 2010. Please complete this form and submit to Diana Gregg at the address noted below.
